Vendor questionnaire - October 2026

Buyer: Aster Finance (fictional).

Vendor: Lantern AI | Service: Support Reply Assistant | Environment: production

Coverage: October 2026 (2026-10). Issued: 2026-10-10. Version: 1.0. Review as of: 15 October 2026.

Vendor questionnaire assertions are claims; operational records describe only the supplied fictional records. Neither independently verifies real-world infrastructure.

Training use

Customer prompts and outputs are excluded from model training for this production service.

Data retention

All customer prompts, outputs and diagnostic logs containing customer content are deleted within seven days.

Human oversight

Every AI-drafted customer reply requires human approval before sending.

Model change notice

We give at least seven days of notice and obtain buyer approval before production model changes.

Subprocessor disclosure

We maintain a current subprocessor register; it is not attached to this submission.

Evidence currency

This response is issued 10 October 2026 and replaces our July response. It covers October 2026 production operations.
