Cedar Analytics deletion certificate

Document: other-vendor-deletion | Issued: 2026-10-10

Unrelated vendor completion record

Vendor: Cedar Analytics. Buyer: Aster Finance. Service: Marketing Insights. Environment: production. Completion date: 10 October 2026. Request: CEDAR-DEL-118.

Cedar Analytics completed deletion of the Marketing Insights export from its Mumbai primary store and retained backups. The fictional service owner approved completion on 10 October 2026.

This certificate does not cover Nimbus Support, Customer Support Platform or production request DEL-2026-041. It appears in the folder because two vendor reviews shared an evidence collection inbox.
