Change approval - backup alert routing

Document: scale-change_approvals-07 | Issued: 2026-10-09

Record scope and evidence

Buyer: Aster Finance. Vendor: Nimbus Support. Service: Customer Support Platform. Environment: production. Relevant period: 2026-10.

Change CHG-207 approved 9 October 2026 for backup alert routing within the current production service. The fictional change board recorded a 50-minute maintenance window.

This change does not approve relocation of backups outside India and does not waive policy v3.0. Customer-data geography remains subject to the operational inventory and internal policy.

Rollback owner: service operations role 7. Completion evidence covers this configuration change only, not deletion request DEL-2026-041 or a blanket certification of vendor compliance.
