# Incident tabletop - lost device report

Document: scale-incident_drills-08 | Issued: 2026-10-10

## Record scope and evidence

Buyer: Aster Finance. Vendor: Nimbus Support. Service: Customer Support Platform. Environment: production. Relevant period: 2026-10.

Exercise EX-08 simulated lost device report on 10 October 2026. This was a tabletop exercise, not a real incident.

The operations team contacted the synthetic incident desk after 68 minutes and completed the customer impact worksheet after 123 minutes.

The exercise uses incident-desk@nimbus.example as its continuously monitored escalation route. The signed addendum contains the 12-hour notification obligation; a tabletop timing alone is not a contract.
