Service dependency declaration - session auditing

Document: scale-subprocessors-08 | Issued: 2026-10-10

Record scope and evidence

Buyer: Aster Finance. Vendor: Nimbus Support. Service: Customer Support Platform. Environment: production. Relevant period: 2026-10.

Declaration DEP-08 identifies the session auditing component operated within Nimbus Support's production service. Scope checked on 10 October 2026.

Tenant-bound output for this component remains in India. The component processes customer ticket metadata and uses the same Aster Finance tenant boundary.

This limited declaration does not cover the offshore disaster-recovery backup replica and cannot substitute for the complete backup inventory. No additional deletion completion evidence is attached.
