# Cedar Analytics completion certificate

Document: scale-wrong_vendor-01 | Issued: 2026-10-03

## Record scope and evidence

Buyer: Aster Finance. Vendor: Cedar Analytics. Service: Analytics Service. Environment: production. Relevant period: 2026-10.

Certificate OTHER-DEL-001 applies to Cedar Analytics's Analytics Service for Aster Finance. Fictional approver signed completion on 3 October 2026.

Deletion completed for 311 records from the unrelated service's primary and backup stores. The record identifies a separate service contract and tenant namespace OTHER-01.

This evidence does not apply to Nimbus Support's Customer Support Platform or request DEL-2026-041, despite being current and naming the same buyer.
