Juniper Hosting completion certificate

Document: scale-wrong_vendor-04 | Issued: 2026-10-06

Record scope and evidence

Buyer: Aster Finance. Vendor: Juniper Hosting. Service: Hosting Service. Environment: production. Relevant period: 2026-10.

Certificate OTHER-DEL-004 applies to Juniper Hosting's Hosting Service for Aster Finance. Fictional approver signed completion on 6 October 2026.

Deletion completed for 1244 records from the unrelated service's primary and backup stores. The record identifies a separate service contract and tenant namespace OTHER-04.

This evidence does not apply to Nimbus Support's Customer Support Platform or request DEL-2026-041, despite being current and naming the same buyer.
